

# FREQUENTLY ASKED QUESTIONS

## What does it cost?

The program is generally covered by insurance, though each patient's costs may vary. Your Care Coach will discuss your expected financial responsibility with you.

## What if I'm doing fine on my own?

Our goal is to help you achieve and maintain optimal eye and whole body health. That's why the program focuses on preventive care and connecting you to valuable healthcare and community resources.

## Is this a long term commitment?

No, you may opt-out any time by notifying us via phone.
